This page was created for parents and youth to explain how the programs work, the benefits, how to get started and to promote the participating courses

This is the start page for the registration process. Upon completion of registration, a confirmation email will be sent to each youth or adult with the youth being assigned a GHIN number (and be able to start posting scores), be required to complete an online curriculum on basic course etiquette, rules of golf, etc. and then be able to print out a temporary membership card (which should be presented to your pro shop staff upon check in and before heading to the tee)

Over 32 courses to choose from. It is \$25 registration and only \$5.00 per round after that. This is the best golf program for children ages 6-18 ever created.

Sterling Golf Management is proud to participate. Check out our courses for times and days available:
